France Study Abroad 2024

Introduction to Programming

French engineering excellence – université de technologie de Compiègne

International Summer school on Introduction to Programming

May 13th to June 8th 2024

Compiègne (France)

- May 13th to May 17th : Online courses
- May 20th to June 8th 2024 : 3 weeks at UTC

This introductory programming course offers beginners a thorough understanding of the fundamental concepts of computer programming using the Python language. Students will learn the basics of algorithmics, problem solving, and programming logic. At the end of the course, students will be able to create their own programs in Python to solve various problems.

4 US credits – 8 ECTs

This course is designed for complete beginners in programming and requires no previous experience.

Organization – Logistics

4000 € per student for non partner universities

2000 € per student for partner universities

- x Transportation outside what is part of the official itinerary.

Compiègne is a green city only 40 minutes from CDG international airport, 51 minutes from Beauvais and with **free public transportation.** It is also a **cultural and historical city**

Only **45 minutes away** from Paris

Cultural visit: Pierrefonds

Nested in the middle of the vast forest, the quiet town is an idyllic haven, overseen by a large medieval castle.

We will discover all its story!

Cultural visit:
Reims , Champagne

Surrounded by world famous vineyards, Reims is a pearl of Arts and History and in its heart, a XIth century gothic cathedral which was witness to the coronation of French kings for over 8 centuries.

We will discover how Champagne is made and all its secrets!

Cultural visit: Paris

The "City of Light" known for its rich history, iconic landmarks, and vibrant culture.

We will visit Montmartre, the Eiffel Tower, lunch on the Seine in a « bâteau mouche »...

Cultural visit:
Park Asterix

Come and try the Greek, Roman and Gallic (of course) rollercoasters in a theme park based on the comic book series Asterix!

Cultural visit:
Greatest national pride, Inscribed in UNESCO's cultural heritage since 2010, French gastronomy is known all over the world for its quality and diversity

We will discover Food at its finest!
